CREATING POSITIVE SPACE  
**Budget Pull-Up Banners**

The Budget Pull Up Banner keeps things simple it matches the other banners on the market in terms of ease and effectiveness of use, but beats them on price.

We also offer a range of customised portable solutions we have engineered specifically to your needs.

Features are kept to a functional minimum and construction is simplified as much as possible without impacting on performance.

**Impression Banner Stand**

A simple stand to further strengthen the impact of your promotion. Few components make assembly extremely fast and easy. Top class material is used in all details. It has a solid stainless base for maximum stability. Carrying bag included.

850mm x 2000mm \$150

**Basic Roll-Up**

Our basic roll-up is a light and economic single side retractable banner. However, it is made of pure aluminum, no plastic and no recycle aluminum, and chromed steel foot is pretty strong. Easy clamp top rail applies to various banner materials; no tools installation.

850mm x 2000mm \$160  
 1000mm x 2000mm \$210

**Roll-Up Plus**

Rollup Plus is a single sided retractable banner with a wide heavy base, and it is one of the most popular models. It uses thick pure aluminum panel, which makes Rollup Plus more stable. Easy clamp top rail applies to various banner materials; no tools installation.
