CREATING POSITIVE SPACE
Portable Pull-Up Banners

We also offer a range of customised portable solutions we have engineered specifically to your needs.

Sturdy enough to withstand the rough and tumble of assembly, dismantle and travel, yet eye catching and powerful. These are the elements to consider when choosing a Portable Exhibition product.

We have worked with all major brands and suppliers to supply the right product and regularly work with Pull Ups, Pop Ups, X-Stands and Panel based systems.

BannerBug Systems

BannerBug is a stylish, sleek, modern retractable banner stand that is both compact and durable. Set up in seconds, the graphic is protected within the base unit when packed, reducing the likelihood of damage and if required, the graphic panel is easy to change.

1000mm x 2240mm	\$650

Austand Systems

Rollup Elite is a single side retractable banner with a wide heavy deluxe base. As a top level product, it has a well designed openable base, and a removalbe cartridge, it is easy to change graphic and adjust tension; no tools installation.

850mm x 2240mm	\$570
1000mm x 2240mm	\$630

X Stand Systems

X Banner Stands are a fantastic cost effective display system with a lightweight yet sturdy vinyl banner, stretching the graphic on a tension system. This system is a perfect display solution for those who want the ability to change the graphics regularly.
